

9. State law requires submitting to the Virginia State Water Control Board information about wells intended for water, or any other non-exempt well. This information must be submitted whether information required includes: an accurately and completely prepared water well completion report, cuttings taken at ten foot intervals (unless exemption is secured), the results of any chemical analyses, and pumpage and use reports are required from owners of public supply and industrial wells. County or State permits to the state. Some counties require submission of a water well completion report. The Virginia State Health Department report for public supply wells.

PROJECT: 114 Mr. Robert G Staff
 ATTN: Robert G Staff
